

PyCon Zim 2016 Proposal

If you need any help formulating this proposal, just get in touch with us via zim.pycon@gmail.com. We'll be very happy to help.

***Required**

About you

We'd like to know a little bit about you for our files. If you submit more than one proposal, you don't need to send all of these details again.

1. Your full name *

.....

2. Your email address *

.....

3. More information about you (public) *

Provide us with some information that we can publish on the website or in the programme. A paragraph is enough, but feel free to write more.

.....

.....

.....

.....

.....

4. Would you like advice from a speaker mentor? *

See <https://pyzim.github.io/speaker-mentors/> for more details

Mark only one oval.

☐ Yes

☐ No

About your proposal

5. Title *

.....

6. What are you proposing? *

Mark only one oval.

- ☐ A talk *After the last question in this section, skip to question 10.*
- ☐ A workshop or tutorial *After the last question in this section, skip to question 11.*
- ☐ A code clinic *After the last question in this section, skip to question 14.*
- ☐ Poster *After the last question in this section, stop filling in this form.*
- ☐ A sprint (or other collaborative coding activity) *After the last question in this section, skip to question 17.*
- ☐ Something completely different

7. Abstract (public) *

Describe what you'll be talking about or doing.

.....

.....

.....

.....

.....

8. Tell us about any requirements your session has

WiFi and video projector will be provided for talks; will you need anything else?

.....

.....

.....

.....

.....

9. What level of audience technical experience are you aiming at? *

Mark only one oval.

- ☐ Absolute beginner
- ☐ Novice
- ☐ Moderately experienced
- ☐ Highly experienced
- ☐ Not applicable
- ☐ Other:

Talk proposal

Please note that the final running time of your talk will be agreed with the conference programme organisers.

10. Talk format *

Mark only one oval.

- ☐ Shorter talk (20 minutes including questions)
- ☐ Longer talk (45 minutes including questions)
- ☐ Longer preferred, but can make it shorter

Stop filling out this form.

Workshop/tutorial proposal

Please note that the final logistical details of your session will be agreed with the conference programme organisers.

11. Timing *

How long should the workshop run? Is it one that you'd like to do more than once if appropriate?

.....

12. Maximum number of people you can manage

.....

13. Would you like helpers?

How many do you need, and what skills will they require?

.....

Stop filling out this form.

Code clinic

Please note that the final logistical details of your session will be agreed with the conference programme organisers.

14. Timing *

How long would you like to run your clinic? Is it one that you'd like to do more than once if appropriate?

.....

15. Maximum number of people you can manage

.....

16. Would you like helpers?

How many do you need, and what skills will they require?

.....

Stop filling out this form.

A sprint

(or a similar collaborative coding event)

**17. What will you be sprinting/hacking
/working on? ***

.....
